

NYCMesh
OUR COMMUNITY. OUR INTERENT.

*Join a community of neighbors and
volunteers creating a new way
to get on the Internet.*

Affordable.

**\$20/month donation (replaces your
Internet bill) + \$160 to install**

We don't have to pay rich executives or shareholders, we accept donations, and almost all of our work is done by volunteers.

Fast.

You always get the fastest connection possible for no extra charge (sometimes up to 200Mbps!), and **much faster** than similarly priced cable Internet service.

Ours.

Unlike your current Internet Service Provider **we don't snoop** on our members and **we don't throttle speeds** to promote some websites over others. Join our network and say goodbye to the cable company cartel!

Questions? nycmesh.net/faq Or: contact@nycmesh.net

We also need more volunteer installers to expand faster.
We'll train and support you. No prior experience needed.
Email contact@nycmesh.net to volunteer.
